Horn / Thursday Island. Your own "Island in the Sun"

Horn Island is the Far North Queensland Gateway to Thursday Island. The opportunity to hold a majority of the signage on the Horn Island Airport is now available.

Horn Island Airport transfers thousands of International and Domestic visitors annually and this unique signage opportunity gives you freedom to impose your brand

with impact that is not available on any other Tourist destination.

Signage is available both internally and externally at the Airport and a direct link Freecall service centre for direct contact with your customers makes an all encompassing package.
